

# Ninja Maths / YEAR 4 / Apples & Oranges / WORKOUT 3

Remember that  $6 \times 8 = 48$  which rhymes

Remember to use your fingers for your nine times table

Remember that  $8 \times 7$  is the same as  $7 \times 8$

Remember that  $7 \times 8$  is easy to remember because of the pattern 5 6 7 8

- A) If an apple cost 19p, how much change will you get from the shopkeeper if you buy nine apples with a £5 note?

*Write your answer in pounds (£) and pence (p)*

- B) If an orange cost 12p, how much change will you get from the shopkeeper if you buy nine oranges with a £5 note?
